The Priority Wire Combination Program

Simply purchase at least one item from three (3) different product groups, total order value of \$3000 or more and your freight is prepaid.

Each block of items on our Combo Program price sheet is a product group.

Reasons to use the Combo Program :

- Prepaid Freight
- No Charge Cutting
- Minimize Your Risk on Metals Fluctuation by Ordering More Often
- Increase Inventory Turns
- Fewer Suppliers Reduces Transaction Costs
- Save Warehouse Space
- Same Day Shipping in most cases

Value Added Services of Priority Wire & Cable

- no minimum billing
- combination program
- no charge cuts
- order acknowledgement
- order pick up service
- wider inventory than any manufacturer
- competitive pricing
- technical inside sales

Priority Wire Only Sells to Distributors !!
