Who is Priority Wire & Cable

Priority Wire & Cable is a nationwide supplier of a wide variety of wire and cable products selling exclusively to Distributors. We generally ship same day and deliver the next day in the GTA, including directly to job sites. If you have wire and cable needs ask your distributor to make sure they call us. We will also work jointly with Distributors and Contractors or Engineering firms up front to make the best choices to help reduce overall cost for a project.

FACTORY VALUE ADDED SERVICES
