

December 11, 2013

Priority Wire & Cable – Canada  
is proud to announce that we have added the full line offering of

**14ga through 500MCM 600V & 1KV Teck90!**

This new material will be available for same day shipments of cuts & full reels from  
our new 142,000 square foot facility in Mississauga, ON

Through the fantastic support of our distributor partners throughout Canada, we  
continue to add many new products to our offering, such as:

**FlexTel - Central Office Power Cables**  
**Type P Cables for the Oil & Gas Industry**  
**Portable Cords**  
**Mining Cables**  
**Variable Frequency Drive Cables**

Please contact your PWC-Canada inside sales person today for more information  
about these new products or our full product offering!
